Discipline and Behavior Management Policy

Name of Facility:_____ Date Adopted:_____

No child shall be subjected to any form of corporal punishment. Praise and positive reinforcement are effective methods of the behavior management of children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following age and developmentally appropriate discipline and behavior management policy:

We:

1. DO praise, reward, and encourage the children.
2. DO reason with and set limits for the children.
3. DO model appropriate behavior for the children.
4. DO modify the classroom environment to attempt to prevent problems before they occur.
5. DO listen to the children.
6. DO provide alternatives for inappropriate behavior to the children.
7. DO provide the children with natural and logical consequences of their behaviors.
8. DO treat the children as people and respect their needs, desires, and feelings.
9. DO ignore minor misbehaviors.
10. DO explain things to children on their level.
11. DO use short supervised periods of time-out sparingly.
12. DO stay consistent in our behavior management program.
13. DO use effective guidance and behavior management techniques that focus on a child's development.

We:

1. DO NOT handle children roughly in any way, including shaking, pushing, shoving, pinching, slapping, biting, kicking, or spanking.
2. DO NOT place children in a locked room, closet, or box or leave children alone in a room separated from staff.
3. DO NOT delegate discipline to another child.
4. DO NOT withhold food as punishment or give food as a means of reward.
5. DO NOT discipline for toileting accidents.
6. DO NOT discipline for not sleeping during rest period.
7. DO NOT discipline children by assigning chores that require contact with or use of hazardous materials, such as cleaning bathrooms, floors, or emptying diaper pails.
8. DO NOT withhold or require physical activity, such as running laps and doing push-ups, as punishment.
9. DO NOT yell at, shame, humiliate, frighten, threaten, or bully children.
10. DO NOT restrain children as a form of discipline unless the child's safety or the safety of others is at risk.

I, the undersigned parent or guardian of_____,
(child's full name)
do hereby state that I have read and received a copy of the facility's Discipline and Behavior Management Policy and that the facility's director/operator (or other designated staff member) has discussed the facility's Discipline and Behavior Management Policy with me.

"Time-Out"

"Time-out" is the removal of a child for a short period of time (3 to 5 minutes) from a situation in which the child is misbehaving and has not responded to other discipline techniques. The "time-out" space, usually a chair, is located away from classroom activity but within the teacher's sight. During "time-out," the child has a chance to think about the misbehavior which led to his/her removal from the group. After a brief interval of no more than 5 minutes, the teacher discusses the incident and appropriate behavior with the child. When the child returns to the group, the incident is over and the child is treated with the same affection and respect shown the other children.

TRIAL PERIOD AND TERMINATION OF CHILD CARE. The first 2 weeks of enrollment in Little Makers Academy facility is considered a "trial period." Child care may be terminated by either the Provider or the Parent(s) during this trial period without advance notice. After the trial period has passed, child care may be terminated by the Provider or the Parent(s) only by providing the other party with two weeks advance written notice. If the Parent(s) fails to provide two weeks advance written notice, the Parent(s) agrees to pay the regular scheduled fees for the two weeks or portion of such payment immediately after such notice during which the Provider had no notice of such termination.Little Makers Academy retains the right to terminate this Contract without notice for the following reasons: behavior (including biting), needs that cannot be met within our center, payment, late pickups and drop off.
All terminations of this type can be made effective immediately.

PARENT PROFESSIONAL CONDUCT CLAUSE
In an effort to encourage and uplift our teaching community, we require that differences between parents and teachers go through a chain of steps. We first respectfully ask that the parent discuss with the teacher in a manner that is appropriate. Next, parents or guardian may discuss with an onsite administrator or email a director at littlemakersacademy@gmail.com We ask that matters be addressed in house and without advertising on social media channels as that may result in legal recourse. We will not accept that harassment and bullying of teachers and staff and foul language, threats, and behavior non conducive to a cordial environment will result in the immediate termination of childcare.
